About this item

- Easy Wi-Fi extension Tired of Wi-Fi “dead zone”? Mi Wi-Fi Range Extender Pro can help you easily connect to the network. Put the extender near the router, turn the power on and wait for the yellow indicator light to start flashing. Scan the QR code to install the app and follow the instructions to add the device. When the indicator light turns blue, pairing is complete
- Boost your wireless network Mi Wi-Fi Range Extender Pro connects to your router wirelessly, strengthening and expanding its signal to every corner of the home – even to those, hard-to-reach spots, such as bathrooms, balconies, bedrooms. This ensures an increased coverage of reliable and high-speed Internet for devices such as notebooks, tablets, smartphones, game consoles and smart TVs
- 2x2 external antenna, with a transmission rate of up to 300Mbps add Wi-Fi extenders to vastly speed up your gaming and movie-watching experience. The Mi Wi-Fi Range Extender Pro now comes with a 2x2 external antenna to maintain a transmission rate of

300Mbps while also increasing signal stability

- Support up to 16 devices connected simultaneously Once connected with an existing router, you always get a reliable connection wherever you watch TV, catch up with the latest series or share happy memories with the kids via video call
 - Operating temperature: 0-40°C
