Product Description

Marca	Xiaomi
Modelo	MIROUTERAX1800W
Número da peça	Mi Router AX1800
Tipo Do Produto	Computadores pessoais
Aparelhos compatíveis	Notebook, Tablet, Computador pessoal, Smartphone
Voltagem	12 Volts

Baterias inclusas	Não
Funciona com baterias	Não
Velocidade de transmissão de dados	1800 Megabits Per Second
Padrão de conexão sem fio	802.11n, 802.11b, 802.11a, 802.11g
Frequência	5 GHz
Número de portas	2
Tecnologia de conexão	Wi-fi
Bateria recarregável	Não
Conexões	Wi-fi
Peso do produto	700 g
Número do modelo	MIROUTERAX1800W
EAN	6934177723643
Dimensões do produto	12 x 3 x 8 cm; 700 g

Product Description

The Tenda FH456 802.11n High-Power WiFi Router is designed specifically for medium and large-sized houses, providing a reliable and high-speed internet connection. With its 4x5dBi high-performance omni-directional external antennas and amplifier technology, this router ensures fast, stable, and wide-range WiFi signal up to 300Mbps, offering whole-home coverage for your ultimate surfing experience. One of the standout features of the Tenda FH456 is its considerate timer management, which allows you to schedule automatic turn on/off of your router. This feature eliminates the hassle of manually controlling your router and enhances your overall convenience. Additionally, the non-hassle installation process ensures a seamless setup, allowing you to start enjoying your internet connection in no time. Bandwidth control is another key aspect of the Tenda FH456. With this feature, you can prioritize certain devices or applications, ensuring a smooth and uninterrupted online experience. Whether you're streaming HD videos, playing online games, or conducting video conferences, the Tenda FH456 can handle it all without any lag or buffering. When it comes to security, the Tenda FH456 has got you covered. It incorporates advanced WiFi security designs to protect your network from unauthorized access and potential threats. With this router, you can browse the internet with peace of mind, knowing that your personal information and data are secure. Experience smart and fashionable networking with the Tenda FH456 300Mbps Wireless N Smart Router. Its

powerful performance, convenient features, and robust security make it the perfect choice for medium and large-sized households.
